**Comprehension (MCQ)**

Read the passage below and answer the questions that follow.

Mr Heng had been walking for hours through a beautiful valley when he came upon a large tree. He was very tired and wanted to rest but he also needed to be safe. He asked the tree kindly, "Please open up so I can rest safely in your care."

The tree opened up its large trunk so that Mr Heng could go 5  
inside to rest. Then, it closed its trunk to keep Mr Heng safe. Mr Heng  
slept for hours. When he woke up, he could not remember what he had  
said to make the tree open. He panicked and cried out, "Hey, let me out!"  
However, nothing happened. Mr Heng kicked and knocked on it but it  
would not open up. 10

Suddenly, Mr Heng felt droplets of water fall onto his head.  
"What's happening? Let me out! Don't keep me in your smelly trunk!" he  
yelled at the tree.

The tree was actually weeping. It felt sad that Mr Heng had  
forgotten to be polite to it after it had allowed him to take shelter in its 15  
trunk. The tree was also upset when Mr Heng said that it was smelly. It  
continued to weep as it thought of how ungrateful Mr Heng had been.

Influenza A, or commonly known as H1N1, is a type of virus that has been spreading to many people in different countries since April 2009. There are ways to control the spread of the virus. We have been reminded to be responsible by practising good health (21) \_\_\_\_\_ (food, habits, exercises) and personal hygiene. When we sneeze or cough, we should (22) \_\_\_\_\_ (blow, stick, cover) our nose and mouth with tissue. If we are (23) \_\_\_\_\_ (fit, free, unwell), we should see a doctor immediately. It is better to be safe than sorry.

Fill in the blanks with the most suitable word in the brackets.

It was a Sunday morning. Hwee Juan did not feel like having any (24)\_\_\_\_\_ (lunch, dinner, breakfast) at all. She kept thinking about the new school that she would be attending the next day. She was not keen to transfer to this new school but (25)\_\_\_\_\_, (luckily, thankfully, unfortunately), she had no choice. Her family had (26)\_\_\_\_\_ (moved, stayed, bought) into a new neighbourhood. It was very (27)\_\_\_\_\_ (far, near, easy) for her to travel to her previous school from her new place. Heidi stared at her nails. They were very long and (28)\_\_\_\_\_ (neat, clean, dirty). Mr Goh, her form teacher, was making his rounds to (29)\_\_\_\_\_ (note, check, supervise) the nails of all the pupils. Heidi bit her lips (30)\_\_\_\_\_ (willingly, nervously, gratefully). This time, if she got caught again, her parents would be informed of her offence and she was afraid that they would give her a good scolding!

Rita could still remember how lazy she was last semester. The examinations were just round the corner but she was more interested in playing computer games. She (31) \_\_\_\_\_ (think) that there would be no problem for her to start studying a day before the examinations.

Alas, Rita was wrong. The night before the examinations, she (32) \_\_\_\_\_ (play) her favourite game on her computer when suddenly, the clock started striking. When it stopped, Rita realised that it (33) \_\_\_\_\_ (be) already nine o'clock! She began to panic as she (34) \_\_\_\_\_ (know) that she would not have enough time to revise all the examination topics. Rita (35) \_\_\_\_\_ (struggle) to try to cover those topics. **Read the passage below and answer the questions that follow.**

Minah was at Pulau Ubin visiting her grandmother who lived at the village there. She loved to play with her grandmother's pet monkey.

After lunch, Minah decided to take the monkey for a stroll in the jungle nearby. They had been walking for quite some time when Minah saw a hut just ahead of them. It was partly hidden by the trees. As Minah approached the hut, she heard voices coming from inside it. Peeping through a window, she was shocked to see a little boy tied up with ropes sitting on the floor. Two men were standing near him and one of them had a gun!

Minah decided to go back to her grandmother's place and call the police. Just then, one of the men came out of the hut and saw her. Minah started running but the man managed to catch her. Her heart thumped as she thought of what the man would do to her.

It was the monkey that saved the day! It quickly climbed up a tree, plucked a coconut and threw it on the man's head. As the man fell to the ground with a loud thud, Minah took the chance to run for her dear life.
