The next morning Jimmy woke up, went to the backyard and began digging a hole. He kept digging and the hole got deeper and deeper. A pile of dirt stood next to it but there was still no treasure. Jimmy was tired and felt like giving up. Suddenly his shovel hit something! Excited, Jimmy looked into the hole. Unfortunately, it was only a dog bone. For all his hard work, he had found only a dog bone.

Then Jimmy's mother came out to the backyard. She wanted to plant a rose bush. Then she saw what Jimmy had done. The hole Jimmy dug was in the perfect place. She was so happy that she gave him five dollars. Jimmy smiled. He did get a treasure after all.
