Turtles belong to one of the oldest reptile groups in the world. These wonderful

(18)

**creatures** date back to the time of the dinosaurs! Just like our bones, a turtle's shell

(19)

is actually part of its skeleton It is made up of over fifty bones.

(20)

What the turtle eats depends on the **envirenment** it lives in. Some turtles eat

meat, some eat plants and others, both.

(21)

The oldest ever recorded turtle, named Tu'i Malila, of tongo Island, passed away

at the age of 188! Many efforts are made to ensure these animals are protected.
